

**Silicon**  
Connection

**Micro-Electronics Packaging**  
**Facilities Components & Equipment**  
**Wafer & Specialty Materials**  
**Lighting and Imaging Products**

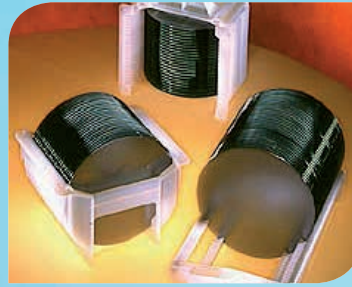

*We deliver the most innovative and  
reliable solutions to the semiconductor  
and other high-tech industries.*

*Distributor You Trust*

# Micro-Electronics Packaging

Front Opening Unified Pod

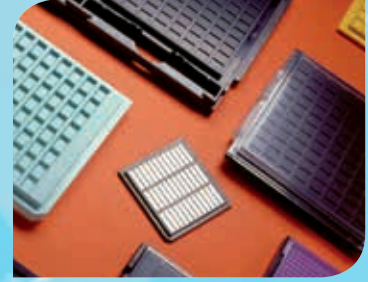

Process Wafer Carriers

Horizontal Wafer Shipper

Multiple Film Frame Shippers

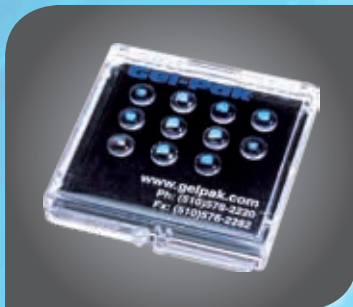

Chip Trays

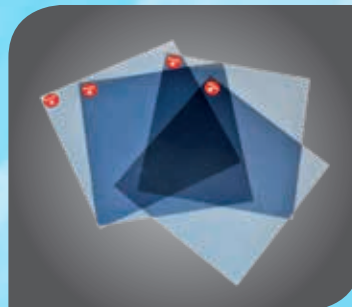

Vacuum Release Tray

Membrane Box

Gel-Box

Gel-Film

# Wafer & Specialty Materials

Silicon Carbide Carriers

Graphite E-Beam Crucibles

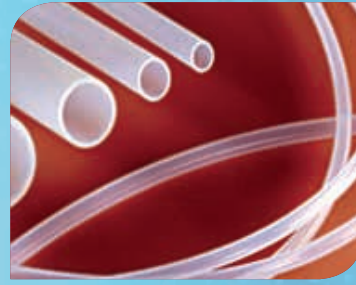

Dummy / Test Wafers

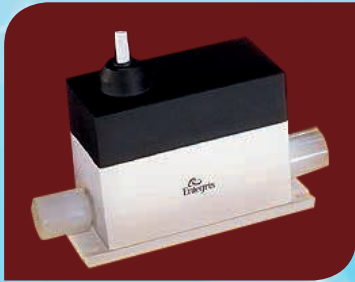

# Facilities Components & Equipment

Pressure Transducer

PFA Tubings & Pipes

Electronic Flowmeter

Chemical Dispense System

PFA Valve

Gas Purifiers / Filters

Chemical Media

Liquid Filters

Wafer Packing/Unpacking Equipment

FKM / FFKM O-Rings & Seals

# Lighting and Imaging Products

Light Source and Light Guide

Fiber Optics Tapers

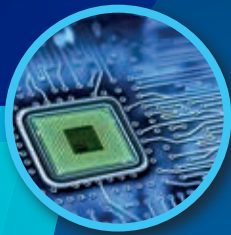

Fiber Optics

Distributor for :

Established in year 2000, Silicon Connection's primary role is in the distribution of products and services to the semiconductor and other high-tech industries in South East Asia.

## We believe in **BUILDING POSITIVE BUSINESS RELATIONSHIPS WORLDWIDE**

Semiconductor

Data Storage

Solar

TFT & Optics

Bio Technology
