Dear Ms Chua

Thank You for Helping Children in Need!

Thank you for your generous donation of **S\$4,043** towards children in need. We are most grateful for the opportunity to partner you in support of the children and families in impoverished communities worldwide.

Your donation to these life-changing gifts will allow us to continue this critical ministry of serving the poorest children through education, health, economic development, microfinance, agriculture, water and sanitation. Through transformational development, children and their families identify and overcome the obstacles that prevent them from living life in all its fullness.

Please feel free to contact Fiona Soh at **69220108** or email fiona.soh@worldvision.org.sg should you require further information. We would like to extend our warm wishes to Silicon Connection for a great Christmas and a new year filled with health and hope, peace and love.

Sincerely yours,

Lilian Chung (Ms)
